

WEEK 3: Power

The Jesus Way

Lean In

Below are pairs of superpowers. Choose one power from each pair and explain why you selected that particular power. You must choose between the two powers in each pair, rather than combining options from different pairs.

- Flight OR Super-speed
- Telekinesis OR Teleportation
- Invisibilty OR Healing Ability

Look Down

Read Mark 10:42-45. Compare the leadership of the world to the leadership of the Jesus Way. List the ways each use their leadership.

Look Out

“Power does not turn good people bad. It amplifies existing traits in people.”

- Who do you know that has handled power poorly?
- Who do you know that has handled power well?

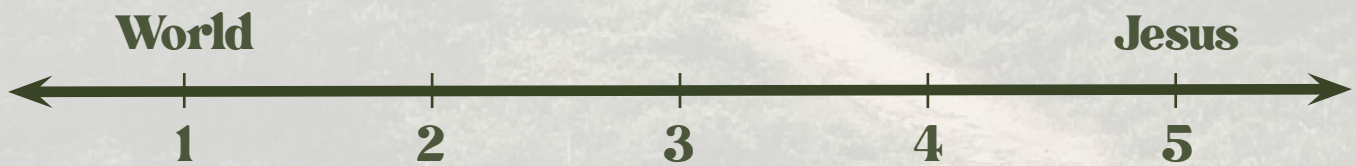

The Jesus Way

Look In

"Power is your capacity to influence and alter the states of mind of people around you."

- Dacher Keltner

- Who do you have influence with?
- Look at the diagram below. Where would you place the way you use your influence with the people above?

- Why would you rate your influence that way?
- What are some things you need to change about your power usage **this week**?
