

Community Group Questions Colossians Week 4

1. Ice Breaker

- Our mission is to navigate people to God. How did someone navigate you to God?

2. Discussion Questions

- What's your next step to navigating people to God?
- Read Colossians 3:23-24 – How would you live and work differently if you saw God as your boss more often?
- Read Colossians 4:5-6 – What could it look like for outsiders to see Christ in your home?
- What would be one thing to change that might help outsiders see more of Christ in your home?

Closing Prayer

- Paul gives several instructions on prayer and several prayer requests. Consider closing group in prayer by reading Colossians 4:2-4 and then use it as a springboard or template to guide your own prayer. As you do, you may:
 - Pray for your group to be devoted to prayer, watchful and thankful.
 - Compass' Teaching Team as they proclaim the mystery of Christ
 - For God to open a door to those our church can share the Gospel
 - For protection and provision for the Christians around the world who are in chains because of the Gospel.
