- Who are these types of people in our society today?

### LOOK IN

*"For Jesus, love is action. It's a choice that you make to seek the well-being of people other than yourself...Jesus said that the ultimate standard of authentic love is how well you treat the person that you can't stand, or in his words, 'You shall love your enemy and do good to them, expecting nothing in return' (Luke 6:35). For Jesus, this kind of enemy-embracing love imitates the very character of God himself."*

- Who do you need to choose to love today? Why?
- How do you plan to do so?
