- What is the glaring difference between their responses?
- How many times does Moses "protest" or "plead"?
 - What are his arguments for each?

LOOK OUT

- What group of people do you think fears change the most? Why?
- What group do you feel handles change well? Why?

LOOK IN

- Who do you identify with the most and why:
 - Woody or Forky?
 - Abraham or Moses?
- Change is inevitable. If you had full trust and confidence in God, what calling or new season would you step into or out of without hesitation?
