Week 4

LEAN IN

What's your favorite story to tell or hear? Why?

LOOK DOWN

Matthew 25:14-30

In this passage, what do you learn about telling your story?

LOOK OUT

Where do you see believers' stories impacting the world?

LOOK IN

What powerful stories of disappointment or pain do you have?

What stories of overcoming obstacles do you have?

What would it look like to tell your story of disappointment or pain?

LIVE IT OUT // 5 minutes

What if you shared your stories, especially those of pain, those you are most afraid to share – with other believers, and those living without the hope of Jesus? What would be different in the world around us? Who might be reached for Jesus? How might it change us? How might it change the world?
